

EXHIBITOR REGISTRATION

February 7th, 2019

8:00AM - 4:00PM

MSD Education Center Gym

9th Annual Youth Success Expo: This is a one-day expo bringing 1,500 high school students together in one place to explore the incredible variety of career options in Southern Oregon and giving them tools to encourage their pursuit of careers in our region.

How It Works: Students will explore careers in our valley through interaction with businesses and workshops relating to workplace success. Students will participate in an Exhibit Hall meeting a wide variety of employees from the top industry sectors in our region. Students will be engaged before, during, and after the expo through their respective high schools to encourage continued pursuit of career options in Southern Oregon.

2019 CAREERS IN GEAR PARTICIPATION OPPORTUNITIES

<u>Exhibit Hall Booth</u>	<u>\$ 100 (early bird registration)</u>

Gold Sponsor	\$ 550
Platinum Sponsor	\$1,100
Presenting Sponsor	\$5,000

In recent years, Careers in Gear has grown to become the single largest career event for high school students in the region. Last year included **13 HIGH SCHOOLS, 1,500 STUDENTS** and **200+ COMMUNITY VOLUNTEERS!**

Careers in Gear 2019 will generate public relations and marketing opportunities for your company with an audience of area businesses, teachers, students, parents, and like minded community supporters. But most of all, your support will benefit hundreds of young people... **your next generation of employees await!**

Careers in Gear is not your typical Job Fair. Where most job fairs have a designated person from each company at the booth, talking about jobs in general at their company, our exhibit hall is filled with exhibitors who actually have the cool jobs within the companies, so kids can meet them in person.
